**A**s we awake every morning and go through our daily routine, we prepare ourselves for another one of the universe's many adventures . . . LIFE! In this life there exists a melange of people.

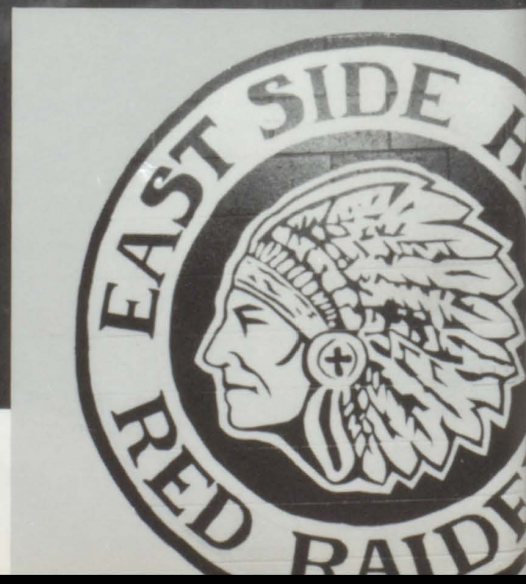

Persons of different races, religions, creeds, and colors coming together as one. Sharing the knowledge they have acquired, and eager to learn what is unknown.

Here at East Side High, our home away from home, we've ascertained the skills to prepare us for whatever the future holds in store. Making new friends, keeping the old and growing mentally, physically and spiritually with every minute spent within these walls. Holding fast to memories created by all those we've

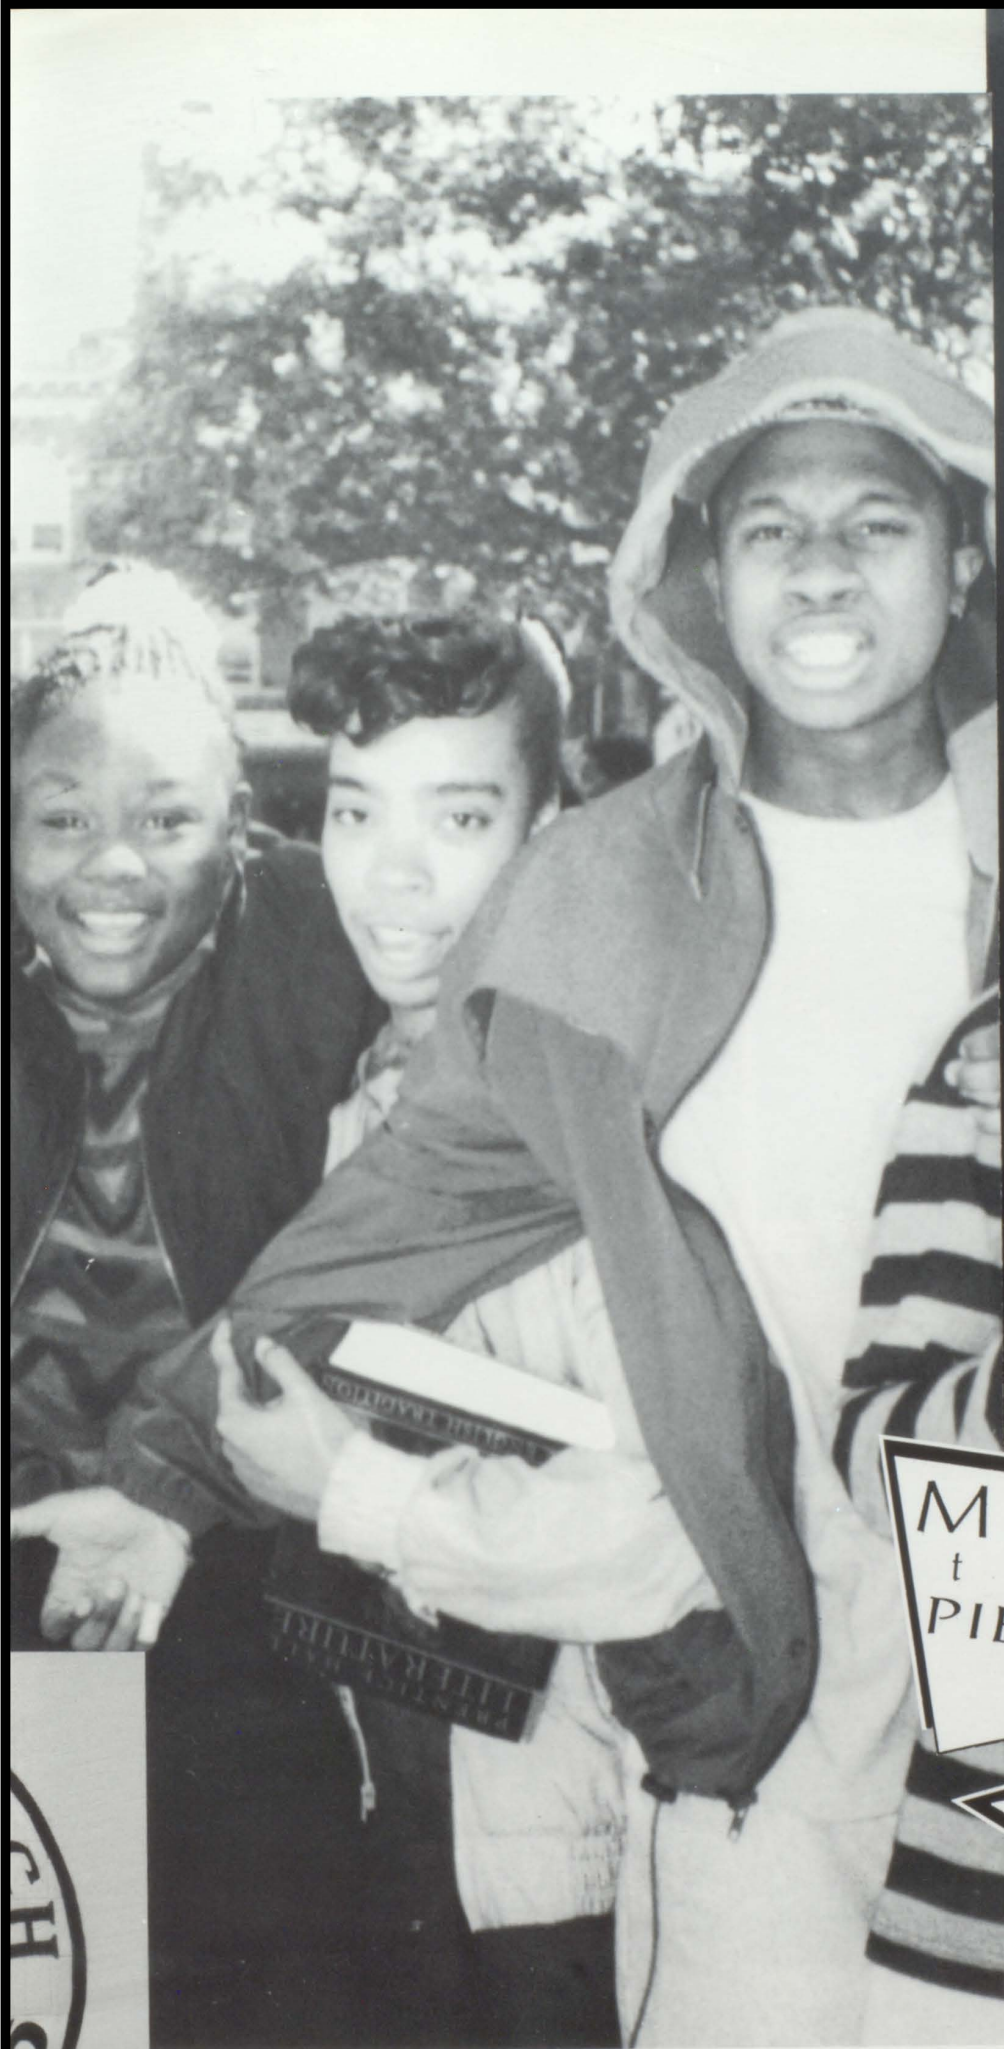

encountered. In an age of hope and wisdom, we have everything before us. Making East Side High's Senior Class of 1994 unable to forget the times we've shared!

When you bring forth the elements of ethnicity, originality, and each individual here at our school you attain the spirit of the RED RAIDER — a symbol of not only stamina and persistence, but our ability to pull together as one. Not only in the classrooms but on the fields, through every corridor, and all over this campus. With this, East Side High's Senior Class of 1994 is proud in saying we are "Making The Pieces Fit!"

# Alma Mater

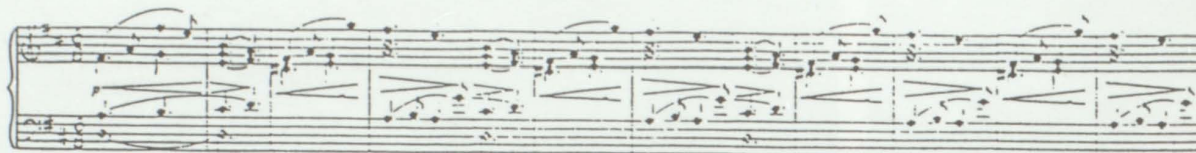

## East Side High School

In the bustling city's bosom  
Like a gem most rare

Shines the nobles of our treasures  
Shines our high school fair

In the field, the hall, the city  
Loyal to thy name

Be it ever our endeavor  
Far to spread thy fame

Hail, all hail, dear East Side High School  
Green thy memory be

By the bond of happy hours  
Are we bound to thee

# Seniors Class of 1994

## THIS IS THE TIME

This is the time we've anticipated,  
for so long.

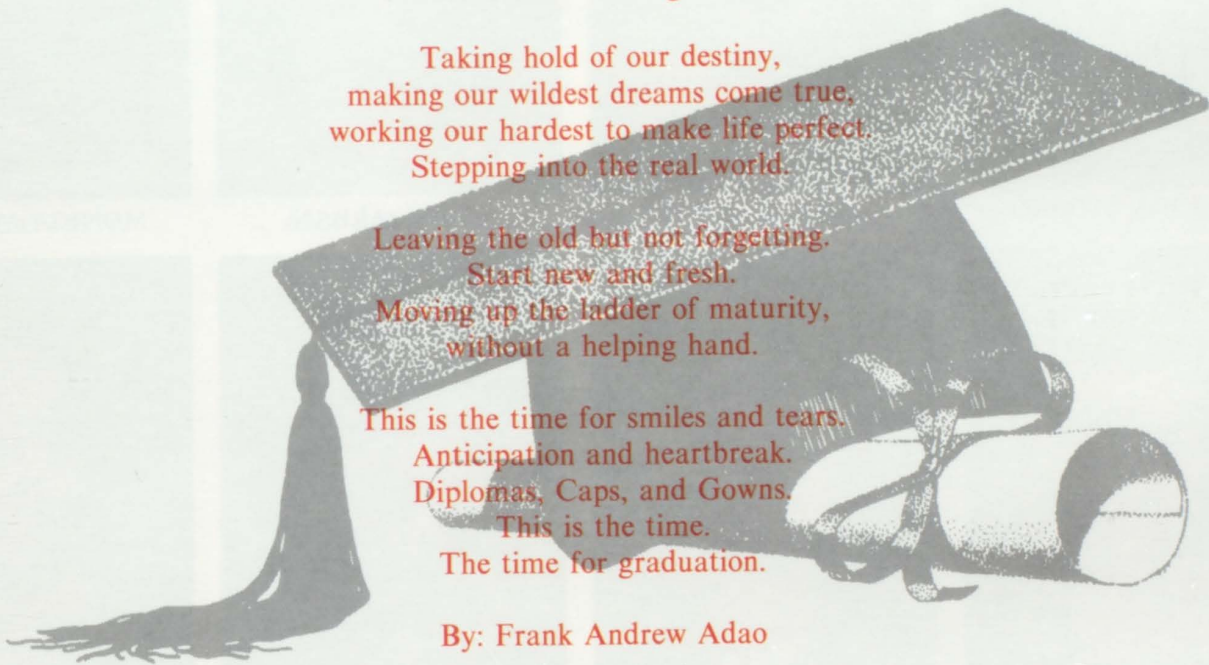

The time of our independence,  
the time to make the right decisions.

Taking hold of our destiny,  
making our wildest dreams come true,  
working our hardest to make life perfect.  
Stepping into the real world.

Leaving the old but not forgetting.  
Start new and fresh.  
Moving up the ladder of maturity,  
without a helping hand.

This is the time for smiles and tears.  
Anticipation and heartbreak.  
Diplomas, Caps, and Gowns.  
This is the time.  
The time for graduation.

## E.S.O.P.

The East Side Opportunity Program, better known as ESOP, plays a significant role in the education process in our school. ESOP is an accelerated course of study that challenges its students with a variety of honors classes.

There are approximately 50 seniors in the program this year. This group of students are among the most highly motivated in our school. The ESOP students follow a rigorous four year curriculum which prepare them for college.

The ESOP students have contributed a great deal to the entire student body, of East Side High School. They have played an essential role in making the pieces fit.

# “INTO EFFECT”

Many students believed that senior year was time for releasing responsibility. However, some students felt the need to get involved with their senior year. Elections took place in November, which elected the most qualified seniors to take on one of the most hectic jobs at East Side. However, the class officers could not have done it alone. With the excellent help of their advisor, Mr. Raymond Malanga, they pulled through together to make the senior year of the class of 1994 the best.

It takes a great deal of patience and dedication to deal with the hardships of organizing activities and graduation for a class with almost five hundred graduates. In taking this all into consideration, the class of 1994 is privileged in having Mr. Malanga as their senior advisor. Besides being our advisor and teacher, he was also our friend. We the graduating class of 1994 would like to say thank you and congratulations on a job well done. We will treasure you in our hearts forever!

# Teen-To-Teen

*Teen-To-Teen is a group of Newark School students who portray roles in plays, sending out positive messages about HIV, drug abuse, teenage pregnancy, education, and other socially concerned topics. Dealing with these issues, the student show their talents not only to their fellow students, but, to others, young and old, in the Newark community. Handing down knowledge and promising themselves to try and erase some of the ignorance that is incorporated with HIV and the AIDS virus is part of their concern.*

*Teen-To-Teen also works with NAG,*

*Newark AIDS Group, to get real life stories and experiences from infected Newark citizens. Teen-To-Teen was founded five years ago by a local theater group called Special Audiences and is funded by the Newark Board of Education. Also, the group participates in an audience question and an answer period at the end of each play. Asking questions about the cast are among the favorite, but, the most commonly asked questions are those about AIDS and HIV. We at East Side High School wish Teen-To-Teen the best of luck in all their endeavors.*

# THE JUNIOR PROM

## "UNCHAINED MELODIES"

**T**he 1993 Junior Class of East Side High School welcomes you to the Junior Prom . . .

It was a lovely Thursday evening on May 20, 1993 at the Mediterranean Manor in Newark where we began our night of "Unchained Melodies." At seven o'clock, as the cars and limousines arrived at their destination, the guests were greeted and escorted in by our advisors' and teachers' smiling faces. The lights were dimmed and the room was filled with red and white balloons adding to that special glow in the room. Everyone looked their very best and were ready for this fun and unforgettable night! Before long, eight o'clock rolled around to the ballroom, where we were served dinner. After dinner the class anxiously got together for a group picture, where we sang and laughed, while posing for the picture.

Everywhere we turned people were posing for memorable portraits, while others danced the night away. In this excitement we all made our way to the dance floor where we danced the traditional prom theme, "Unchained Melodies", by the Righteous Brothers.

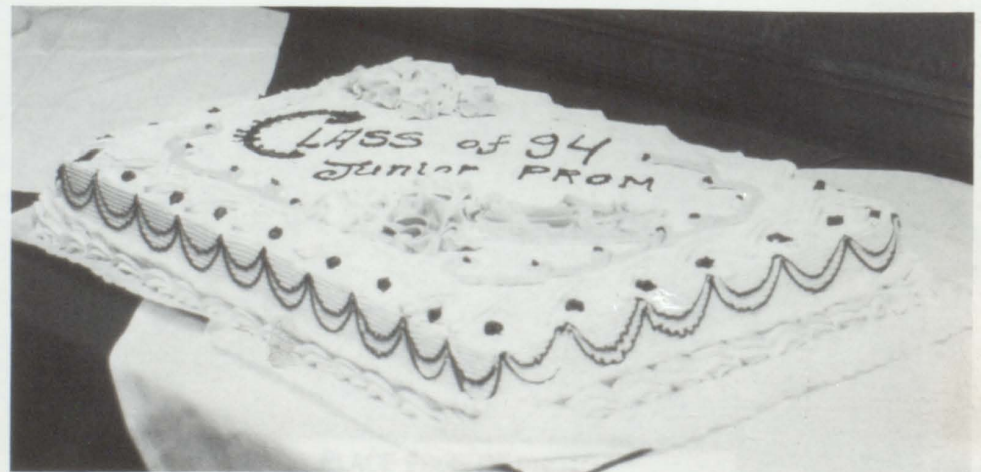

Unfortunately, the clock struck 12:00 p.m. and our night was coming to an end. Even though that night has ended, it still lives in our minds, just as it was on May 20, 1993. As we move on to our last prom together, we will relive that melody, the unchanged melody, of course . . .

Our teachers take a minute to pose for a picture.

# FOOTBALL

Although the win-loss record did not show an outstanding season, the East Side High School Red Raiders have a lot to be proud of. With the leadership from seniors, Leroy Rouse, William Feliciano, Juan Paccehco, Demetrios Shelly, Max Dormeville and Joey Dopazo, the football program was able to win a football game and in several games, play a respectable football. The seniors have worked hard to establish a foundation for the program to build off. The Football staff and all returning football players wish the seniors the best in their future endeavors.

# GIRLS SOCCER

Although our record (6-10) may not show it, the soccer season was very gratifying and pleasurable. The girls were very competitive and played their hearts out. We will be losing only three seniors to graduation, Christina Arteaga, Raquel Ibarlucea and Juana Salinhas and we will have the majority of the team come back. It was a pleasure coaching them and look forward to a better season next year.

East Side's soccer team has always shown a good deal of potential. This year the team does not only have the skillfulness of years before, but it has the urge to play well and win. Mr. Arena, the head coach, has high hopes on this team because of it's key players.

Due to their prized talents and abilities, two seniors Joaquin "Chico" Barra (captain) and John Portela (co-captain) were named the most promising players. Both defenses carried out the best in their team.

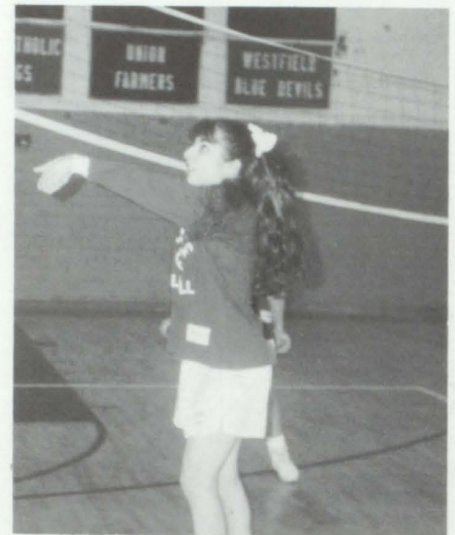

# VOLLEYBALL

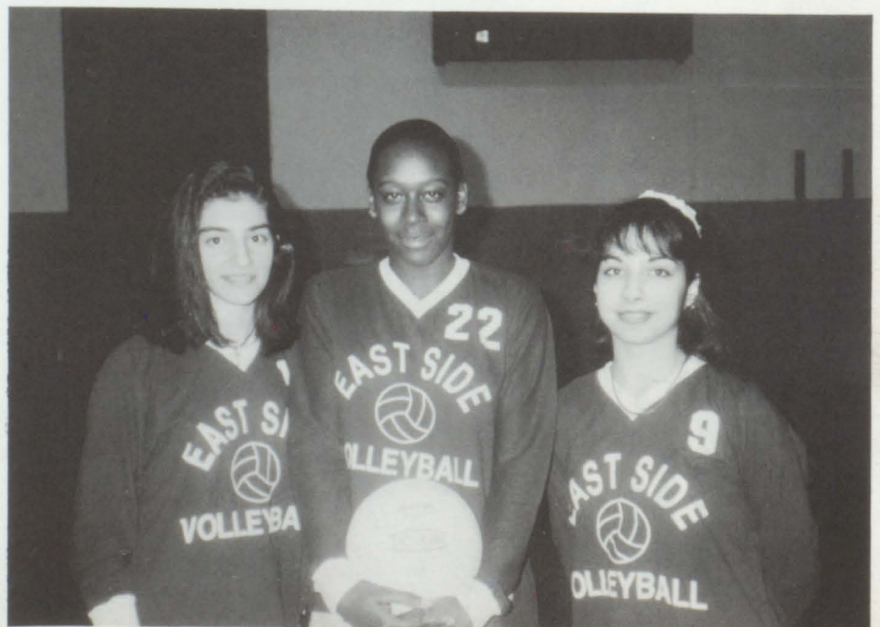

You go girl!!!

Girls Volleyball has been a very successful sport in its short existence. The purpose of this sport is partly to build character and a strong sense of competitiveness. When trained well, each student then masters the sport of volleyball. Even though, East Side is a young team we are looking forward for another good volleyball season. Last season our record was 10 wins and 6 losses. We are looking to improve our last years' record.

# BOWLING

Tom struts his stuff . . .

This team may be young and small, but it's full of spunk. This team has no seniors, but these players will have more time to develop this sport to the potential it has at our school. Although they don't own the trophy for champs, the heart they have for the game is enough of a trophy for them and us . . .

Precision is the key to the game.

Let a girl show you how to play . . .

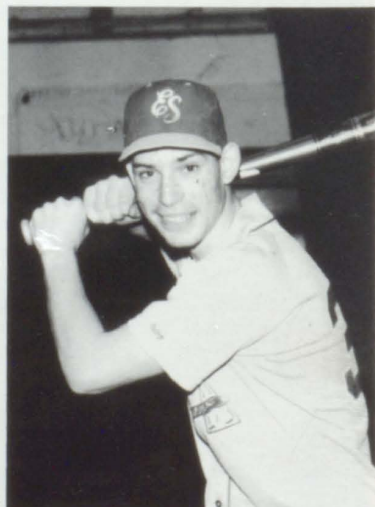

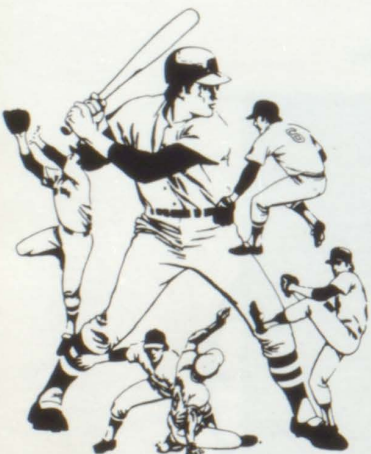

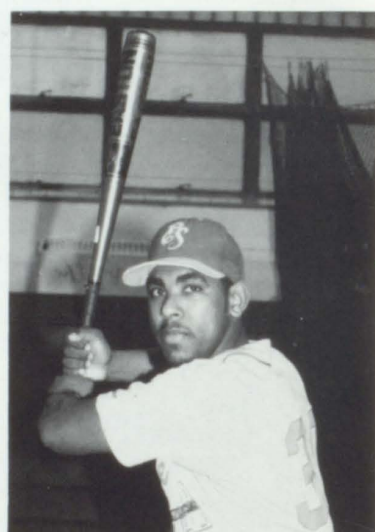

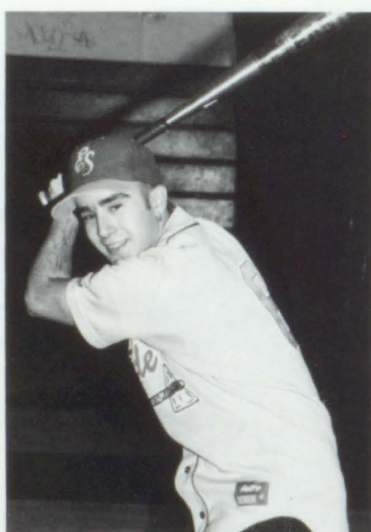

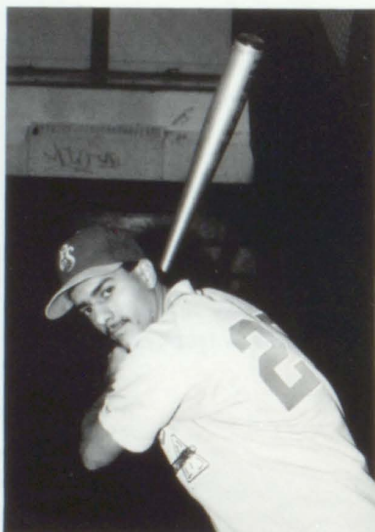

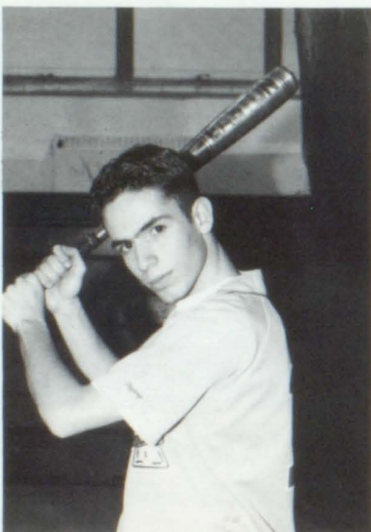

# BASEBALL

The East Side Baseball team, is a team known for it's pride and speed. It has led them to having one of the best defenses in the state. This team is one of the youngest teams in the Watchung Conference with only four veteran players. All playing in the infield, Juan Pacheco, Joey Dopazo, Frank DaCosta, John Azevedo, and Jack Fereira, they led the team by showing leadership, determination, and being role models for younger guys.

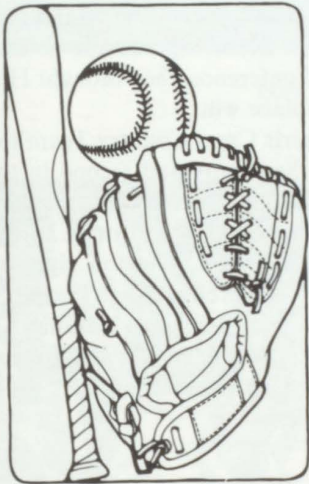

The East Side Baseball team has accomplished many things. One of them being a GNT (GREAT NEWARK TOURNAMENT) title. There goal for the future will not only be to win another GNT but win the conference too.

Top Row: John Azevedo, Reynaldo Sanchez, Frank Da Costa, Carlos Pacheco, Coach James Spadevecchia. Bottom Row: Jack Ferreira, Joey Dopazo, Carlos Pereira.

During the Cross-Country season the boys team had many successes. They were the county champions and again they came second in the state. The top eight runners were John Barbosa, Marco Penetra, Rui Nogueira, Manny Lopes, Jose Goncalves, Paul Oliveira, Peter Torres, and Pedro Semedo. In achieving success in the Watchung Conference, they brought Home the second place win.

The girls Cross-Country Team took second in the county and second in the state by dedicating great efforts to achieve this great success. They will strive harder to do better next year. The top eight runners were, Elsa Pereira, Ana Tavares, Sonia Noal, Celia Barbosa, Yanina Alvarez, Rosemary Marques, Elizabeth Conceicao, and Marlene Dos Santos.

# CROSS-COUNTRY

Hey coach, show us the way.

The girls junior varsity also showed outstanding achievement by placing first in the county. The girls that made this event were Ana Rodrigues, Maria Simao, Diane Dos Santos, Marina Cardoso, Paula Marques, and Yolanda Mayan. This development showed everyday by coming to practice and training hard. The coaching staff were always addressing to us athletes, that hard work leads to success. The coaching staff are as follows: Mr. Oxford, Mrs. Arango, and Mrs. Harris. Together they have brought East Side's cross-country team to the best of their ability and outstanding record. Proving this, the boys came in 9th in the state at the end of the season. They look forward to another outstanding season.

Go East Side, Go East Side, Go East Side, Go!!

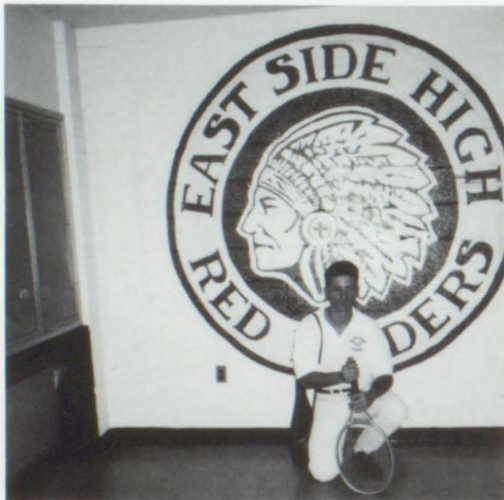

Marlene Dos Santos in the lead, she keeps going and going.

# BOYS TENNIS

This year's Boys Tennis Team has shown ability to improve over last year's 9-10 record in the highly competitive Watchung Conference. Jaime Paris, the only senior on the team played a major role in the team's improvement. Together they have proved to be a dynamic team with high qualities.

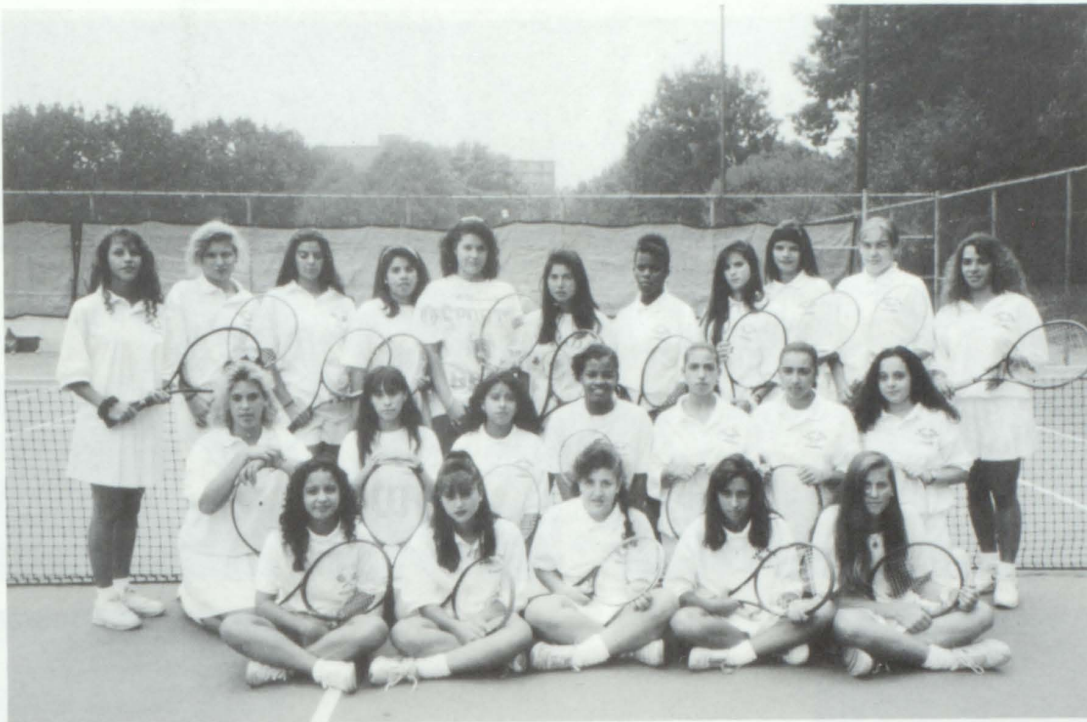

**LATE  
ENTRY**

# GIRLS TENNIS

The Girls Tennis Team played very competitively in the tough Watchung Conference. They finished with a respectable 8-9 record. Seniors, Filomena Spina and Johanna Lopez played a major role in the team's success. Filomena played in the program for all four years. All of the girls who have participated in the Girls Tennis team have portrayed good cooperative playing with a positive outcome.

# EAST SIDE GIRLS BASKETBALL

"JUMP"

The lady Red Raiders, are known for their finesse, beauty, and physical appearance. But, when they hit the court the lady Red Raiders get down and dirty. These girls with their quick passing, quick feet, and quick thinking manage to win games.

The girls Basketball Team is a skilled group capable of handling pressure. When they play together, they play smart.

Don't even try it!!!

# EAST SIDE BOYS BASKETBALL

The East Side Basketball Team, is one of the top power house teams in the state. The Big Red Machine dribbles with intense desire and only winning on their mind, and win is what they do best. These guys play Slam Bang Nose basketball, cruising past their opponents. The rest of the Watchung Conference better watch out because the Red Raiders are sending out smoke signals saying "Welcome to Red Raider Country!!!!"

# HOCKEY TEAM

JOEY DOPAZO AT HIS BEST

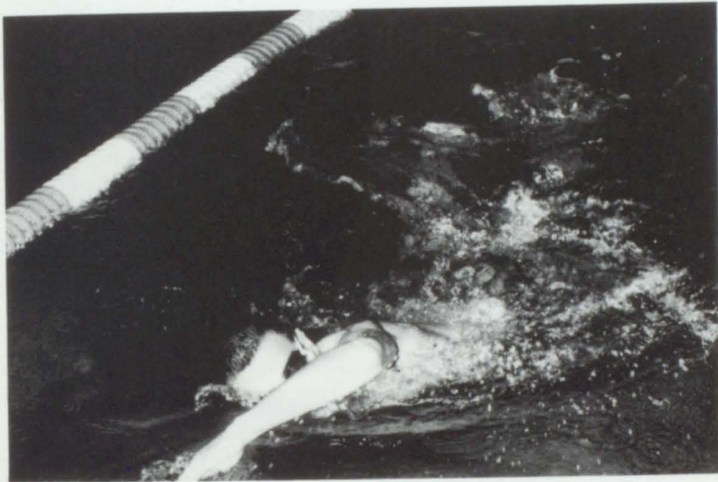

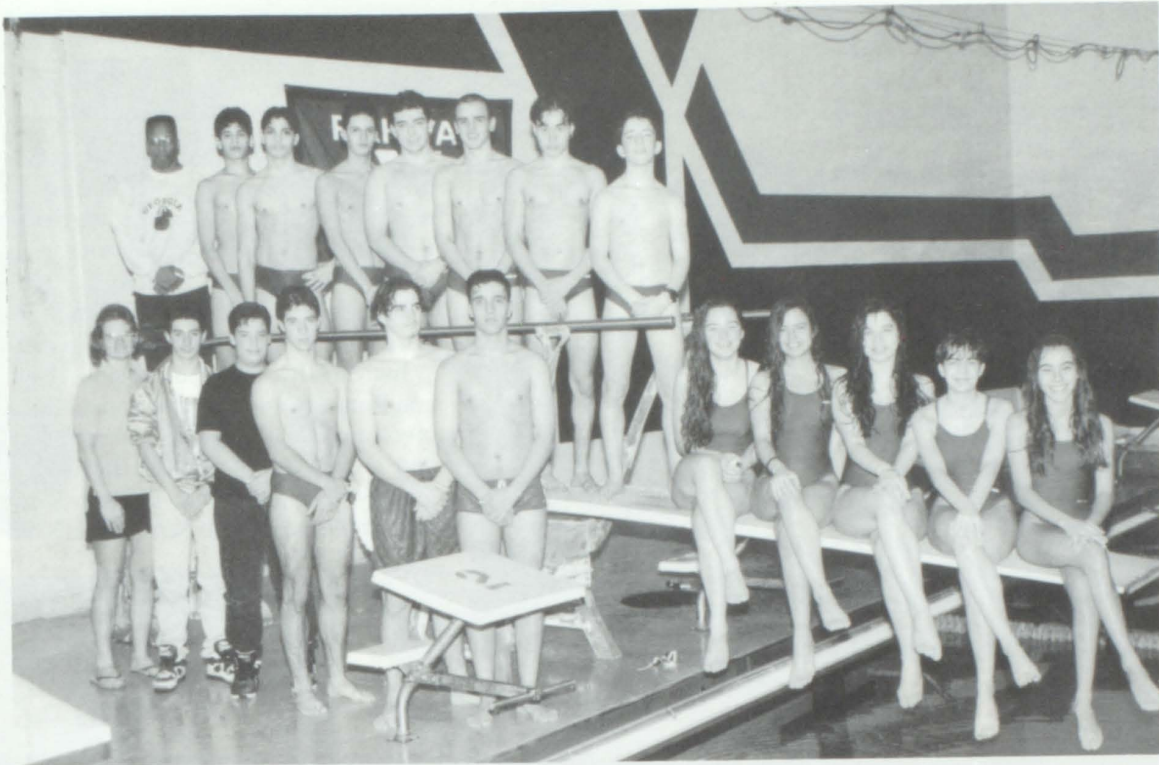

The East Side Hockey Team is the team with the most school spirit. The team is known for its hard work and dedication. Its outstanding goal tending, skating abilities, and team work are the qualities that stand out the most. The tribe of seniors that was led by; Captain Pete Dosantos, Fellow Wingers, Bert Domingues, Tony Alfonso, the Defense was led by Goal Tender Joey Dopazo, and Defensemen Jerry Alvarez. Besides all of East Side's Hockey Team's high qualities they did indeed keep their word. They will always be known to "ROCK "DA" HOUSE!!"

ICE BREAKERS

# SWIM TEAM

Rui Soares freestrokeing his way to victory.

Watch Lillian doing the backstroke.

This years team has 17 members, including 2 seniors. This young team is doing well and shall continue to do well. This sport, though not widely publicized, is very demanding and swimmers must train hard at practice to develop their skill. Seniors such as Rui Soares, and Sergio Ribeiro have to master the backstroke, breaststroke, and freestroke etc . . . This year the team enjoyed their season. Thank-you to Coach Werner and Assistant Coach, Michael Garrett their inspiration to the team was a big part of their success.

# WRESTLING

The Wrestling Team

The 1993-1994 East Side Wrestling Team was the youngest team in school history to participate on the varsity level. Without any seniors in the squad, these young men competed with teams of vastly greater experience.

Despite this almost overwhelming disadvantage, East Side managed to compile a record of 2-6-1.

Individually, team co-captains, Willie Jamarino and Ramon Candelaria, both juniors, had outstanding years. Willie finished 2nd in Essex County and 2nd in District 14. Ramon finished 3rd in Essex County, 2nd in District 14, and 3rd in Region 4. Also sophomore Joel Ferreira finished 3rd in the District 14.

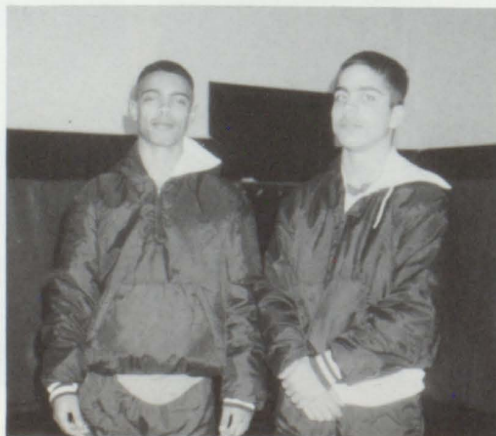

Practice makes perfect.

Getting dropped, quicker than what he thought.

Co-Captain and Captain

# WEIGHTLIFTING

The Weightlifting Team has become very popular to many students at East Side High School. With the help of their trainer Kevin Bullock, they were able to bring their spirit and "power" to the max. With much enthusiasm, devotion, and dedication to themselves, a few seniors, such as Demitrios Shelly, William Feliciano, Tony Barbosa, John Tavares, Michael Polite, and more, have been able to bring out the best in the weightlifting team.

Keeping the spirit alive, were another group of seniors, being, Marcie Couto, Daniela Carvalho, Marlene Dos Santos, Filomena Spina, Johanna Lopez, and others as well.

Their trainer has gotten them "psyched" and has shown them that just with a little patience and hard work, you can bring out the best in you. For those who leave, think positive, and remember — "POWER IS IN THE MIND!!!!"

# ROSTER OF SUPERIOR MERIT ALBANO SEABRA

Mr. Albano Seabra was born in Serra da Estrela, located in Portugal. He was one of the six children of Maria Seabra and Americo Seabra. He came to the United States at the age of nine and has lived in Newark ever since. He attended two elementary schools in Newark, Garfield Street School and Central Ave. School in which he graduated from. He then went on to East Side High School and graduated in the class of 1976.

When Mr. Albano Seabra's parents arrived in the United States, they established a supermarket on Ferry Street in Newark. In 1976, when he graduated, his father retired. Mr. Albano Seabra and his brothers took over the family business in partnership. He has been in the family business ever since.

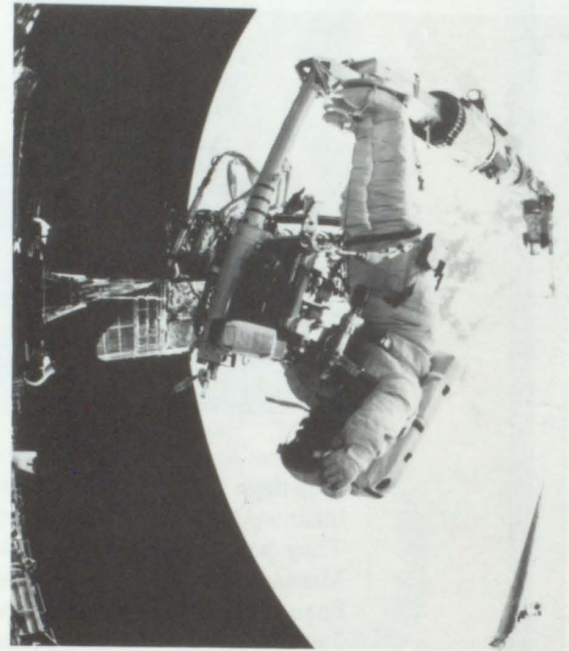

With each passing day, the family business developed, getting bigger and better. From a \$100 a day business to a \$50 million a year industry. In 1976 the Seabra Family had two businesses. Today they have a numerous amount of money making businesses. They have invested in the restaurant business which includes, Mediterranean Manor and Don's 21, two of Newark's finest eateries. They have an import & export company, Triunfo Imports which is situated in Newark and Massachusetts. The original family business did not end, it just expanded. They have three A.J. Seabra Supermarkets, two are located in Newark and one in Elizabeth, New Jersey. They also have invested in various businesses in Portugal. They are proprietors of the Portuguese Channel network, RTP/USA. They also have real estate holdings, Beira Corporation and Seabra Brothers in which they own various properties. This was all made possible with the thanks to Maria Seabra and Americo Seabra.

The two people Mr. Albano Seabra respects and loves the most are his parents. As he walks into his office they are the two people he sees first, for there is a picture of them outside his office. As he looks at them he feels thankful for the fact that they did everything to the best of their ability for their sons, never for themselves. They created the foundation that Albano Seabra continued into a road of success and happiness. To make Mr. Albano Seabra's life more complete, he is happily married to Rosalie Seabra and the father of two.

Because of Mr. Albano Seabra's outstanding and continual success and achievement, we the Class of 1994 honor Mr. Albano Seabra as East Side's Alumnus of Superior Merit . . .

## “SUPER JOCK”

Dear Son,  
I know I tell you I love you, but one thing I may not always remember to say is how proud I am of you, too. I'm proud of your success — of your skills and talents, of your hard work and accomplishments, of your dreams and plans for the future . . . But, more important even than these I'm proud of the person you are inside — of the goodness and generosity which are so much a part of your daily life, of the warmth and caring which are such a wonderful part of the joy you bring to others . . . You are truly a special person, and I feel proud to be part of your life and fortunate beyond all measure to have been given the gift of a son like you.

Your Friend,  
Jose Dopazo (DAD)

Hi!

HERSHEY'S

Snap that picture  
and you're dead.

LOVE IS VERY PATIENT AND KIND, NEVER  
JEALOUS OR ENVIOUS, NEVER BOASTFUL OR  
PROUD, NEVER HAUGHTY OR SELFISH OR  
RUDE. LOVE DOES NOT DEMAND ITS OWN  
WAY. IT IS NOT IRRITABLE OR TOUCHY. IT  
DOES NOT HOLD GRUDGES, AND WILL HARDLY  
EVEN NOTICE WHEN OTHERS DO IT WRONG. IT  
IS NEVER GLAD ABOUT INJUSTICE BUT  
REJOICES WHENEVER TRUTH WINS OUT. IF  
YOU LOVE SOMEONE YOU WILL ALWAYS  
BELIEVE IN HIM, ALWAYS EXPECT THE BEST  
OF HIM, AND ALWAYS STAND YOUR GROUND  
IN DEFENDING HIM. ALL THE SPECIAL GIFTS  
AND POWERS FROM GOD WILL SOMEDAY END,  
BUT LOVE GOES ON FOREVER.
